Your Party Room

You can get access to your very own private party room to use throughout your visit from either 10am-12.30pm or 2pm-4.30pm.

The party room has a sensory table that lights up upon touch, birthday bunting and finished with fairy lights, the perfect party setting!

The party room seats up to 20 children but has limited space for adults to sit. If there are lots of adults attending the party we can arrange for separate seating in the main soft play café area.

With prior arrangement you can arrive up to 20 minutes early for the party to set up.

We ask that you do not put anything on the walls—any damages will be charged.

Party Food

Included with the party package is some delicious party food.

Choose from:

Pizza & Chips

or

Kids Lunchbox

(Cheese, ham or jam sandwich, fruit juice, packet of crisps, freddo, and piece of fruit.)

Jugs of orange and blackcurrant juice will also be provided.

PLEASE ADVISE STAFF IN ADVANCE OF DIETARY REQUIREMENTS

Party Invitations

When you have booked your birthday party, you can collect your very own Ernespie Farm Birthday Party invites to send out to all your guests.

These are included with the party package and are available to collect from the front desk at any time.

Accompanying Adults

If you think adults with children attending the party would like to stay for the party then we can arrange for a separate table to be reserved for the duration of the party.

We are unable to reserve numerous tables due to the high numbers of customers also using the soft play. We encourage adults to also use the party room whilst the children are playing.

Any adults wishing to bring a sibling of a child at the party can do so, they just need to pay the standard entry price.
